List of Changes

- There were five comments from the Reviewer-1 (Only one Reviewer), asking some description. The writer has responded well and added the essential text in the revised document.
- The responses to the Reviewer are suitable and optimum.
- References needed reformatting according to the journal requirements. This has been highlights in the manuscript.
- I have edited the proposal, for proper presentation and resubmission of the improved document.
- All the Answers to the Peer Reviewer are edited for better English language.
- Document needed some of sub-headers; I have completed this and now the document is organized as per the requirements of the journals.
- Table 1 legend needed some better of the piece descriptions and it is now done.
- Please note that we have added line numbers in the manuscript in order to refer to the sites wherein changes were combined with respect to the peer reviewer's comments.
